To Potential CWFC Sponsor:

Carlsbad Wave Futbol Club (CWFC) is a non-profit organization committed to providing the youth of Carlsbad and North San Diego County the opportunity to play the exciting game of soccer. Our players participate in soccer at many levels:

- Two leagues, recreational and competitive, to provide soccer for players of all abilities
- Over 1,000 players combined
- Professional coaching providing excellent soccer training and additional soccer camps
- Participation in regular season scheduled games playing against other CWFC teams as well as other local soccer organizations.
- Tournament play during summer, fall, and winter.

The registration fees to provide this high level of soccer opportunity are among the lowest in the area. Still, some players cannot afford this expense. CWFC provides whole and partial scholarships to benefit these players. However, we are not able to meet all of the needs.

Your financial support is essential for CWFC to accept all players who desire to play the game of soccer. Any contribution is tax deductible.

We are planning for another successful year for our youth soccer players. Please be a part of our success by supporting CWFC!

Thank you for your support!

David Padgett
